NOVEMBER 20, 1992: The quiet Massachusetts town of Verona was rocked by the apparent suicide of a local 18 years old high school student.

Police ruled the death a suicide but Jamie Banks did not commit suicide. She was murdered!

Your job is to unravel the mystery of what happened on that morning of November 20th, 1992 using the investigator's original case file.

Are you up to the challenge? Do you have what it takes to solve a cold case? Let's find out! Escape boredom and let yourself be involved with the interaction and teamwork to solve this mystery!
