## **FIRST Certificate Preparation Course**

The course consists of two separate sections (Part 1 and Part 2) which provide practice of most common grammar and vocabulary as well as practical skills relevant for the First exam.

The course contains **10 units**, each of which comprises:

- practice of the exam tasks (Reading, Use of English, Writing, Speaking and Listening);
- a wide range of thematic vocabulary;
- essential grammar of B2 level;
- step-by-step approach to the writing papers;
- speaking activities and model answers for the speaking part of the exam.

Moreover, regular **review exercises** are planned in order to consolidate and revise the grammar and vocabulary of the units.

Additionally, the course includes **3 mock tests** (the pre-course, mid-course and end-of-course tests) that simulate the real exam and assess the students' level of training.
